OMISORE/SDP declares support for APC

**FORMATION OF COALITION GOVERNMENT AND RERUN OF GOVERNORSHIP ELECTION
ON THURSDAY 27TH SEPTEMBER, 2018 IN OSUN STATE**

Our decision to form a Coalition Government is based on the party that is ready **work with SDP to adopt and implement the core values** of our party which is **social justice, equity and good governance**.

The PDP and the APC parties have approached us for coalition based on our performance and grassroots networks especially in the 7 units earmarked for rerun.

Our core values and philosophy as indicated in our SDP manifesto ("RESTORATION AGENDA") have all been presented to the APC and the PDP representatives who have approached us for support and formation of a coalition government:

- **Professionalism and Performance in the Public Service:**
 - Workers must be motivated and trained
 - Payment of the accumulated salaries, Pensions and arrears within the first three months of the administration;
 - to be followed by the commencement of payment of full salary to all categories of workers.
- **Revamping the Education Sector:**
- **Equity in Access to Services across Osun state:**
- **Local Content and Innovation in the investment and development of the state:**
- **Focus on robust and effective Security for all and sundry**
- **Restoration and uplifting the condition of service of Obas and Chiefs in the state**

For the Restoration Agenda to be effectively implemented, Social Democratic Party (Osun State) would ensure that her core values are considered and incorporated into the development agenda of the party of choice for a meaningful coalition.

In this regard we have forwarded our proposals for coalition government to the PDP representatives headed by the Senate President (Sen Bukola Saraki) and the APC high powered delegation by Dr Kayode Fayemi the newly elected governor of Ekiti State.

The APC had since come back to accept all the conditions proposed to them by us to form a coalition government while the PDP party is yet to respond. We have therefore as party (SDP) accepted to support the APC for victory in the rerun election tomorrow and thereafter form a coalition government.

Thank you

Sen (DR) Iyiola Omisore
SDP, Osun State
